### HOW TO MEASURE YOUR TACKLE TWILL

Tackle twill is measured in height. Measure the outer most trim of tackle twill from top to bottom on the first capital letter of your name or initials. (Some exceptions may apply; see chart below.)

### WHAT IS LETTERING VERSUS TRIM?

Lettering is shown in blue (the top most layer)  
Trim 1 is shown in white (the next layer)  
Trim 2 is shown in black (the third layer)

### TACKLE TWILL SIZING

# of Letters in Name	Letter Height Options (inches)
1	4, 5, 6, 7
2 - 3	2, 3, 4, 5, 6
4 - 9	2, 3, 4
10 or more	2

Adjustments may need to be made for long names in order to fit certain uniform shells. Additional exceptions may apply.
